

How to...

McGraw-Hill Student Registration Video – Link, Embed, and Embed Instructions

Previewing Video

1. Select this link to access the video <https://wsutech.techsmithrelay.com/ubNn>

Embedding Videos in Blackboard

1. Open an **Item** in the **Build Content** of the learning module. (Build Content is located in the black stripe at the top of the screen.)
2. Select **HTML** in the content editor function ribbon (see screen shot below)

3. Copy this embed code

```
<p><iframe width="320" height="240" style="width: 715px; height: 374px; border: 0px;" scrolling="no" frameborder="0" src="https://wsutech.techsmithrelay.com/connector/embed/index/ubNn" webkitallowfullscreen="" mozallowfullscreen="" allowfullscreen=""></iframe></p>
```

4. Paste the code in the **html** content editor on the Blackboard page.
