

Why Attendance?

Brought to you by ITAS

Why is taking attendance important?

Research indicates that attendance has a direct correlation to student achievement in the classroom.

Why is taking attendance mandatory?

WSU Tech's agreement with the Department of Education indicates that in order for WSU Tech to provide Federal Financial Aid we must take attendance.

As a result . . .

- There is a college wide attendance policy.
- Faculty are required to take attendance.
- Many programs and courses have special attendance policies.
 - ✓ Ask your supervisor for the policy in your teaching area.
- Online and the Online portion of hybrid courses have attendance requirements.
 - ✓ Attendance is defined as the student **logs in to** their course **and completes at least one activity per week.**

What if I have questions?

If you have any questions about taking attendance or the attendance policy, ask your One-on-One mentor or your lead faculty/director.
