Library Services at WSU Tech

For Faculty and Staff

You're Who, Now?

- **Noelle Barrick, 316-677-1759, nbarrick@wsutech.edu**
- Eight years at the Wichita Public Library, most recently in the Adult Programming Department.
- Adjunct instructor for composition at Newman and Southwestern
- Master's degree in religious studies from KU
- Master's degree in library and information science from MU in progress
- Twenty-two years as a copyeditor and production editor
- Undergraduate in English Language and Literature from Webster U. in St. Louis

Tell Me What You Need

- Identify materials (print or electronic) that will support your class or program.
- One-time purchases are easier to approve than subscriptions.
- Purchase decisions are based on:
 - a. Support for teaching and learning
 - b. Immediate and enduring value (how quickly will it have to be replaced?)
 - c. Authoritativeness of the author or creator
- NB: We cannot purchase every textbook assigned in every class.

Classroom Instructional Sessions

- One-shot
- Two or three visits (recommended)

Requirements

- Minimum 2 weeks' notice to schedule.
- Prefer to schedule at the beginning of the semester.
- Instructor must provide assignment students are working on.

To schedule an instructional session, visit the Library tab on [MyWSUTech](#) and look for the **Meet with the Librarian** box. The link will take you to a request form.

Recent Changes

EBSCO Discovery Service (EDS) search bar

- Searches almost all of our electronic resources in a single search bar.
- Results are displayed in an EBSCO results list with further options to narrow search or used advanced search.
- **Remote Desktop still required to access Gale sources.**

Search All Databases

Search all WSU Tech Electronic Resources from a single Search Box

Engaged Citizenship for All Students

In addition to skill development, a strong economy requires students who are prepared and want to participate in the life of their community. The WSU Tech Library has resources to teach students how to:

- Know how to access and understand reliable news, especially local news.
- Know what community resources are available that support quality of life and encourage WSU Tech graduates to stay in Wichita (e.g., Exploration Place, art and theater venues, sports venues).
- Know how to engage with the community (e.g., attend a city council meeting, participate in social service volunteer opportunities like Habitat for Humanity).

Watch for information about media literacy one-shot seminars and a forthcoming elective in Fall 2022.

Resources for Applied Technologies

- Is the LibGuide (research guide) useful?
- What changes would you like to see?
- Would you like more program-specific LibGuides?
 - Automotive, including Alternative Fuel Vehicles
 - Carpentry, Construction Science
 - Climate and Energy Control Tech
 - Computer Science
- Potential LibGuide content:
 - Links to WSU Tech databases
 - Links to professional organizations
 - Links to industry publications
 - Links to government regulatory agency content

[Industrial Automation and Maintenance Technologies](#)

Example: [Aviation](#)

Potential Resources for Aviation

Aviation does not currently have a LibGuide (research guide).

- Accessible to the public
 - Students can access information during and after their WSU Tech career
 - Easily show potential students the resources offered by WSU Tech
- Can link to library resources and the open web.

Resources for General Education and Professional Studies

Current LibGuides

- [Art](#)
- [Composition 1](#)
- [Composition 2](#)
- [English](#)
- [History](#)
- [INT 170 and Business](#)
- [Interior Design](#)
- [Psychology](#)
- [Theater](#)

No LibGuide

- Accounting
- Business Administration
- Digital Marketing
- Culinary Arts (forthcoming)
- Criminal Justice (formerly Police Science)

Potential Content

- WSU Tech resources
- Links to professional organizations
- Links to industry publications
- Links to regulatory bodies

Resources for Health Sciences

- Are your LibGuides (research guides) useful?
- What changes would you like to see?
- Would you like more program-specific LibGuides?
- Ancillary texts? (ebook or print)
- Would it be useful to have research study sessions on your campus?

[Anatomy & Physiology](#)

[Nursing](#)

[Veterinary Technology](#)

Dental Assisting LibGuide
forthcoming

Resources for Manufacturing

- Most other programs at the college have at least one LibGuide (research guide).
- Manufacturing has none.
- LibGuides cover college resources, but can also provide organized links to industry publications, regulatory agencies, and individual articles of interest.

Example: [Aviation LibGuide](#)
